STONEYGATE LIVING HISTORY

Our Successful Exhibition

Our exhibition of historical photographs, maps, books and memorabilia was a great success. 111 people came on Saturday 20th January to the Friends Meeting House on Queens Road. Most were local people who were not members of the Society but who have subsequently joined. The exhibition was opened by our Councillors, Professor Robert Pritchard and Ned Newitt, and aimed to raise interest in the history of Stoneygate by showing how it has changed over the years. Many thanks to all those who took part, provided materials or attended. This event obviously attracted local interest. If you missed it, you have a second chance at our AGM.

SCAS Annual General Meeting
